

Don't settle for a job... Explore a Career!

Innovative, high quality, multi-specialty surgery center is seeking to add the following positions:

• **Preop/PACU Nurse Manager** – Full Time, Day Shift

Position oversees all clinical operations for Preoperative and Postoperative Surgical patient care. Duties include assisting in the development and enhancement of new and existing programs, clinical staff development, coordination of patient care and financial oversight for Preop and PACU departments. Experienced PACU Lead/Charge RN and RN staff on board to assist with your integration. Qualifications: Bachelors of Science in Nursing, with five years of general nursing experience and a minimum of 2 years PACU nurse management experience required. Active Colorado Nursing License and/or Compact License required

• **OR Surgical Technician** – Full Time, Day Shift

Candidate must be a graduate of approved surgical technician school, with 2 years or greater OR experience; multi-specialty surgical experience desired. Active CO DORA required upon hire.

• **Receptionist/Registration Specialist** – PT early morning shift – 24 hrs per week

Position works directly with the public in a fast paced environment. Excellent customer service, communication skills, time management and organizational skills required. Computer and medical office background required. ***Please contact Christina Pike at (970) 298-7860 or Christina.pike@sclhs.net***

We offer competitive compensation, bonus pay, and an excellent benefits package including medical, dental, vision, 401k and disability. If you are interested in joining the Grand Valley Surgical Center team, please send resume via email to Cheryl.Anderegg@sclhs.net or mail to 710 Wellington Avenue #21, Grand Junction, CO 81501. No phone calls please. EOE.
