

CARDIOPULMONARY RESUSCITATION (CPR)

CONSENT

I _____ recognize that by consenting to an elective,
Patient

out-patient procedure, I fully expect to be discharged and resume pre-surgical activities. I understand and consent to resuscitative measures in the event of a medical emergency while at the Center. This consent shall remain in place until I vacate the Center's property.

Resuscitative measures shall include, but not limited to:

1. CPR
2. Endotracheal intubation or other advanced airway management
3. Artificial ventilation
4. Defibrillation
5. Cardiac resuscitation medications
6. Related procedures, as defined by my attending physician or anesthesiologist

I assume all risks for the consent. I therefore release the attending physician, his assistants, the attending anesthesiologist, the Center and its agents and employees from any responsibility whatsoever for any untoward results, including death, which may occur as a result of this consent.
